CORRECTIVE ANNOUNCEMENT
APPENDIX 3B – ISSUE OF OPTIONS

3D Resources Limited (*the Company*) advises that the Appendix 3B announced by the Company on 15 December 2016 and notification of shortfall dated 13 December 2016, contained an error in the total number of Options issued or to be issued pursuant to the Company's renounceable rights issue, which closed 8 December 2016 (*Entitlement Offer*).

The total number of new Listed Options issued under the Entitlement Offer is **110,919,563 options** (not 110,919,555 options as previously disclosed in the notification of shortfall dated 13 December and Appendix 3B dated 15 December 2016). The Company understands the error was the result of the rounding of participant's entitlements to the Listed Options.

Enclosed is a replacement Appendix 3B which contains the correct number of shares and options.

The Company confirms that the number of ordinary shares issued under the entitlement offer is correct and unchanged from that included in the previous Appendix 3B.

For further information please contact the Company Secretary.

A handwritten signature in blue ink, appearing to read 'Andrew Draffin', is positioned above the name and title of the signatory.
